Dear Pastor & Church Leader

From October 14 – 16, the Lake Union will officially launch its Public Campus Ministry at the Global Public Campus Ministry Weekend and Lake Union Summit.

The Lake Union has taken bold steps to highlight this critical ministry by appointing a coordinator along with each of its constituent conferences to bring leadership to Public Campus Ministry. Please let me introduce them to you:

- Illinois Conference: Pastor Jose Medina
- Indiana Conference: Pastor John Leis
- Lake Region Conference: Zakia Jarrett
- Michigan Conference: Pastor Andy Im
- Wisconsin Conference: Robert & Jacqueline Mosher

Additionally, we have a new Standout Director: Mack Vendome who will provide leadership for students attending public high schools. To get in touch with these coordinators and directors, please contact the office of your conference youth director.

Our summit and Global Public Campus Ministry Weekend will be filled with outreach and a faith & culture dialogue on the University of Michigan campus, exciting stories about public campus ministry from each of our conferences, training on public campus ministry, and more. Our featured speaker is Cassandra McNulty, a University of Michigan graduate who found God and the Seventh-day Adventist Church during her undergraduate studies. As the only Adventist in her family, she served as a missionary on campus and now works for the State of Michigan in the field of Public Health.

Sabbath services will be at the Detroit Metropolitan Church, followed by a meal for those who've registered for free online at www.AdventistStudents.Com<<http://www.AdventistStudents.Com>>. More details are also available online. Church service will be broadcasted live on Hope TV as part of the Global Public Campus Ministry Weekend.

We encourage you to come and to invite your friends and loved ones! By posting the included materials in key strategic locations at your church or school, you will do a lot to promote our event and this important budding ministry in the Lake Union. We look forward to seeing you soon!

Israel Ramos
Director // Coordinator
Public Campus Ministries
Michigan // Lake Union
